

SEAWORLD SALUTE

“Hero’s Salute” is an Anheuser-Busch tribute to the men and women of our armed forces. Active duty and ready Reserve/Guard soldiers, Airmen, Marines, Sailors and Coast Guardsmen, as well as foreign military personnel serving with U.S. units, qualify. Each hero also is entitled to as many as three additional free admissions for direct dependents.

All active and ready reservists and members of the National Guard, regardless of deployment status, qualify.

Dependents can visit the park without their service member.

Please be sure to bring your Department of Defense-issued dependent photo identification. Only the spouse of a service member is permitted to register, however. Minor dependents must redeem their ticket with an adult.

Program runs until - 31 Dec. 2006
